## TENSION

It is important to check your tension before starting your garment. If there are too many stitches to 10 cm, your tension is tight and you should change to a larger size needle. If there are too few, your tension is loose and you should change to a smaller size needle.

The standard stocking stitch tension for Patons Fairytale DK is 22 stitches and 30 rows to 10 cm.

The standard stocking stitch tension for Patons Fairytale 4 ply is 28 stitches and 36 rows to 10 cm.

**Individual stitch pattern tensions are quoted in the design instructions.**

## CAUTION

It is essential to work to the stated tension and we cannot accept responsibility for the finished product if any yarn other than the specified yarn is used.
